The screenshot displays the BMW TOOL V1.4.5 software interface. The main window is titled "Software Update" and features the Xhorse logo and an image of the Xhorse VVDI key cutting machine. The interface includes a sidebar with various functions such as "CAS Information", "CAS Key Learn", "FEM/BDC Key Learn", "Exchange ECU/CAS", "GEARBOX", "8HP Gearbox", and "Ex Program/Code". The "Car Type" is set to "OBDDII - Auto Detect". A "Software Update" window is open, showing the latest software version information:

Latest software version	
Soft version	: V1.4.5
BMW database file	: V1.0.1
Require firmware	: V1.4.3

Below the update information, there are two "Download Link" buttons, each with a green downward arrow icon. A watermark "ChinaCarDiags.com" is visible in the top right corner, and "Xhorsevvd" is overlaid on the machine image. The status bar at the bottom indicates "Completed."
